

Petition to form an PMHC Active Transport Advisory Committee - Better By Bicycle Port Macquarie

We, the undersigned, ask that the Port Macquarie-Hastings Council engage with the *Better By Bicycle Port Macquarie (BBB PMQ)* and other stakeholders to establish an ongoing Port Macquarie-Hastings Council Active Transport Advisory Committee (PMHC ATAC).

Currently, Port Macquarie roads are not safe for cyclists. There are limited bike lanes and access to shared paths. The advent of e-bikes has led to an increasing number of cyclists on our streets.

Establishing a PMHC Active Transport Advisory Committee (PMHC ATAC) will ensure we meet this challenge by creating a network of cycle lanes and shared pathways and ensuring that future development/infrastructure is cycle-friendly. This will increase the walkability and liveability of our region whilst reducing traffic congestion, demand for parking and our carbon emissions.

*Required by council. Please note that details provided could be a public record should the petition form part of a public Council document. Please tick beside email if you wish to be added to our mailing list.
